The Ecological Organic Agriculture Initiative' (EOA-I) Regional Secretariat of West Africa under the able leadership of Mr Ernest Aubee of the Economic Community of West Africa States (ECOWAS) Commission organised the 6th Regional Steering Committee (RSC) virtual meeting to review the activities of the Ecological Organic Agriculture in West Africa on Thursday 25th March, 2021.

In his welcome address, the Chairman of the Regional Steering Committee of the Ecological Organic Agriculture in West Africa, Mr Ernest Aubee welcomed the participants at the meeting. He expressed warm greetings from the ECOWAS' Honourable Commissioner for Agriculture, Environment and Water Resources, Mr Sékou Sangaré. He congratulated the RSC members, the CLOs and the Regional Secretariat for the strong work being carried out in Ecological Organic Agriculture sector of which he believes will enable the region to overcome the current food insecurity, environmental challenges and provide reliable alternatives to the current situation.

The virtual meeting held on Thursday 25 March, 2021 ended with the words of appreciation from the Chairman of the Regional Steering Committee (RSC) in West Africa, Mr Ernest Aubee of the Economic Community of West Africa States (ECOWAS) Commission, who thanked all the participants at the 5th RSC meeting of the Ecological Organic Agriculture Initiative for their time and invaluable inputs to the growth of the Initiative in the region. He equally thanked the Regional Secretariat and charged them to do better. He thanked everyone for their insightful contributions towards the growth of the initiative.
